

## PARTNERSHIPS

# The Relias and ANCOR Partnership

Since 2012, Relias and ANCOR have proudly partnered together, culminating with Relias becoming ANCOR's first-ever Diamond Partner. Relias and ANCOR bring together a mutual dedication to improving hiring, training, and staff retention for organizations that serve people with intellectual and developmental disabilities. Relias is the leader in online training and education across the healthcare spectrum and offers an extensive library of courses specific to the intellectual and developmental disability provider community.

### Benefits for ANCOR members

ANCOR and Relias have jointly created 10 Certificates of Achievement to advance development of high performing employees:

- Behavior Specialist
- Community Inclusion Specialist
- Human Resources Professional
- Emerging Leader
- Peer Mentor
- Community Inclusion Specialist
- Safety Specialist
- Aging Population Specialist
- Employee Wellness Specialist
- Customized Self-Employment Specialist

Courses meeting state and national regulations, accrediting body requirements, NADSP certification, and other professional license continuing education

Personnel Assessments to assist with hiring, onboarding, and continuous staff development

“Relias has mastered the art of giving providers the kind of resources they need. Our members have been uniformly impressed with Relias, not just for their DSP training, but for how broad the training is. There is a training course for virtually every position that our providers need quality training for.”

— BARBARA MERRILL,  
CEO of ANCOR

**180+** ANCOR members use Relias across 34 U.S. States

**7 Years Running**—Relias is a proud sponsor of the DSP of the YEAR Awards

**250+** accredited courses designed specifically for professionals devoted to providing specialized care and quality services for people with intellectual and developmental disabilities
